“Bettin on the Bay”

Message from our President-Barry Winters of BBSI

HAPPY HALLOWEEN! YES IT IS OCTOBER ALREADY
IT IS TRUE “TIME FLIES WHEN YOU ARE HAVING FUN”!

WE ARE HAVING FUN & DOING BUSINESS AT YOUR BAY AREA CHAMBER.

Welcome to New Members: Coos Head Food Co-op, Barnes & Associates, and The Healing Room. Congratulations on becoming members of the Bay Area Chamber of Commerce. We are happy to have you.

The Chamber Golf Tournament was a huge success. Thanks’ to hardworking chamber members like Allison Richards, Spencer Gordon, Deena Gisholt, Angy Miller, Rick Skinner and Hardworking staff members Jolene Krossman & Pam Cottrell. Thank you to Timm Slater & Rodger Craddock for watching for that elusive hole in one that could have won you a car from Ken Ware Superstore. I understand that they were safe standing very near the cup, as only 3 golfers got on the green??

Free Night at the Museum

The eight local history museums that are supporting local Ballot Measure 6-153 (Coos County Historical Fund) invite the public to attend a free event at the Coos History Museum (1210 N. Front St., Coos Bay) on Thursday, October 6th starting at 6:30 pm. Several representatives from local history museums will make a short presentation about the ballot measure in the main community room after which attendees may view the Coos History Museum exhibits with no admission charge. Those who attend the presentation can also join a tour "behind the exhibits" by visiting rooms normally not open to the public where exhibit prep and other museum operations take place. Light refreshments will be served.

Ballot Measure 6-153 would establish secure funding for eight history museums in Powers, Bandon, Myrtle Point, Coquille, and Coos Bay by collecting a property tax based on ten cents per thousand assessed value. Supporters view the measure as a potential economic boost to the region as well as an important component of local education, culture, and pride. Coos County residents would be able to attend any of these museums free of charge if the measure passes.
