Important Tour Information:

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Travel with an average of 37 people (maximum of 44).

Due to limitations on tour bus circulation in Montecatini, the motorcoach cannot meet you at the hotel on sightseeing days. You will start out on foot, walking approximately 0.2 miles (350 meters) to the bus pick up point and you will have to walk back the same distance at the end of the sightseeing day.

The included activities are not suitable for travelers using motorized scooters, wheelchairs, walkers, or Zimmer-frames.

If you require any special assistance while on tour, please make us aware at the time of reservation so the necessary request form can be sent to your attention.

Italy imposes strict limits on tour bus circulation and mandatory drop-off and pick-up points, especially in historic areas such as Montecatini, Lucca, Pisa, San Gimignano, and Florence. In Florence, you must be prepared to walk approximately 3 miles (4.8 kilometers) to complete the sightseeing with limited opportunities to sit. The full-day walking tour takes place over flat, but cobblestone, streets with narrow sidewalks that are often crowded. For your well-being, we recommend bringing comfortable walking shoes.

*The interior of Tettuccio Spa is closed to visits during the months of November and December. They do not offer spa treatments such as massages. This is a hydrotherapy center that offers drinking waters which have healing effects on internal organs and therefore can only be consumed under medical supervision.

Days of features are interchangeable.

Most shops and businesses in Italy are closed on Sundays and on national/religious holidays.

**Due to the extensive walking required in Florence, free time will be limited to approximately 3 hours, during which you may wish to visit the Academy or the Uffizi Museums. Both are closed on Mondays and both require advance reservations, as tickets are often sold out on the day or close to the day of the visit. If you are interested, we recommend that you
